OXC-1355 Copy 6 of 6

21 February 1961

MEMORANDUM FOR : Deputy Director (Plans)

THROUGH

: Acting Chief, Development Projects Division $^{5 \, {\it LO} \, {\it C}}$

SUBJECT

: Formal Request for Colonel Leo P. Geary, USAF, as

Project OXCART/KEDLOCK Lisison Officer

- 1. The attached, I believe, is self-explanatory, and is designed to formalize the general oral agreement which was reached in the briefing of Secretary Zuckert on 2 February 1961 regarding Colonel Geary's extension.
- 2. Colonel Geary indicated that he has already informally advised General Estes of your remarks to the Secretary of the Air Force regarding his extension. The Colonels' Group in Headquarters Air Force, however, cannot turn off the IBM "Assignment Selector" until a formal piece of paper is exchanged.
 - 3. Accordingly, your signature on the attached is recommended.
